

HELPED ME TO UNDERSTAND THE IMPORTANCE OF RESPONSIBILITY AND ACCOUNTABILITY AS A TOURISM PROFESSIONAL.

Chunila Gurung, Mohor Participant

I was always curious about tourism especially trekking and wanted to make it as a profession. But I had no idea where to start as I had no one to point me in the right direction. Luckily, I found about the incubation program from website link read it thoroughly and knew that it was the right one that will help me understand the basics of tourism and lay a foundation for my career in tourism.

It helped me to understand the importance of responsibility and accountability as a tourism professional. The professional skills was the most valuable part of the experience for me which included necessary topics like minimal impact, marketing, branding, storytelling and so on.

Overall, I'm very happy for the opportunity that this program gave me. Thank you social lab Nepal team for this great opportunity
